Digital
product displays

Categorized
exhibitor list

Networking
sessions

BENEFITS OF PARTICIPATING

Best alternative

It's a great alternative in these current times where people need to keep distance.

Networking

Live interaction with decision makers from the tea & coffee industry

Showcase

Use live demo videos to display the features and technologies of your products

Time & Convenience

Enjoy the flexibility of the online platform which enables the entire team to be present at the stand. Digital expo required much less time, effort and cost for preparation

Co-located with dti & PMAE

Leverage your brand with dti and PackMach Asia Expo, and explore your business opportunity.

Data Access

Measure and analyze attendees at your stand. Connect and include new clients to your database

Pre Fixed Buyer Seller Meetings

Pre-fix your meetings with top level senior registered buyers of your choice

ONLINE CONFERENCE

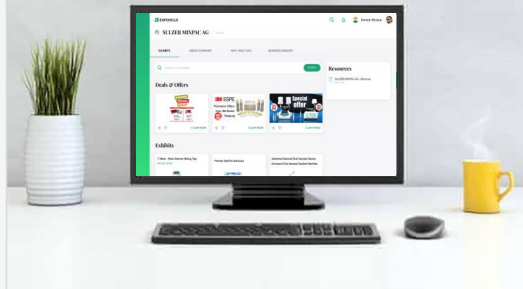

Through this platform we aim at bringing together the global community on one mega stage through power-packed and knowledge exchange conferences and webinars. Industry leaders as speakers from tea, coffee and allied sector companies that will share their knowledge and insights.

Topics with special focus on trends, challenges, innovations and opportunities in India and across the globe.
